

Carle Clinic Association

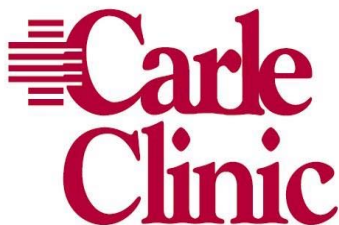

Urbana. Illinois

Ophthalmologist with Glaucoma Fellowship

Carle Clinic Association, a multispecialty group practice consisting of more than 330 physicians, is seeking a **BE/BC Ophthalmologist with a Glaucoma Fellowship** to join our group of three Ophthalmologists and two Vitreoretinal surgeons. Carle is a regional referral center, offering over 50 medical/surgical specialties and subspecialties and providing state-of the art medical technology to a service area of approximately 1.5 million residents. **Our physicians place the highest priority in providing superior patient care while embracing a strong work and life balance.** Some details on this opportunity include:

- All surgeries performed at the adjacent **Carle Foundation Hospital, a Level I Trauma Center** and Lever III Perinatal Center
- Fully equipped for the complete spectrum of glaucoma surgery
- 1:6 call schedule
- Opportunity for academic and/or research affiliation with the **University of Illinois College of Medicine at Urbana-Champaign**
- Extremely competitive compensation and benefit package, including paid malpractice insurance
- Exceptional support staff to help you reach your full professional potential
- Home to the **Big Ten University of Illinois, Champaign-Urbana** is a diverse community offering cultural, sporting and entertainment options usually associated with major metropolitan areas; centrally located two hours from Chicago and Indianapolis and three hours from St. Louis
- Strong economy and excellent educational, healthcare and housing options provide an ideal setting for personal and professional satisfaction for the single person or a family
