

## Comprehensive Ophthalmologist

Riddle Eye Associates, PC -- Media, PA

We are a busy Comprehensive Ophthalmology practice located in the western suburbs of Philadelphia. We have two full-time and two part-time ophthalmologists, a medical retina specialist and two optometrists working in the office. We are seeking a replacement for one of the full-time ophthalmologists. The new associate will be inheriting a busy practice. The departing physician does cataract and glaucoma surgery. Surgeries are performed one floor below our office in the Operating Room at Riddle Memorial Hospital, which is part of Main Line Health, Inc. Surgery is also performed at an ambulatory surgery facility next to the hospital and there is access to use of a femtosecond laser at another nearby outpatient surgical facility.

We practice General/Comprehensive Ophthalmology. We have an Optical Shop in the office and offer complete contact lens services. In the past, we have had associates who performed oculoplastic surgery. We have an Elman unit for in-office eyelid procedures. We would welcome an associate with a subspecialty interest, such as glaucoma or oculoplastics.

There are five exam lanes with two nursing stations in the office. We make use of an automated refractor/keratometer, the IOL Master, a Humphrey Visual field Analyzer, a Cirrus OCT machine and a KOWA fundus camera. The readouts from the ancillary tests are paperless and are viewed via the Zeiss forum software. There is an Argon/YAG/SLT laser on the premises.

We offer a competitive compensation and benefits package, including an income guarantee with a productivity bonus opportunity, 401K, long and short-term disability insurance, malpractice insurance, health insurance, vacation and CME allowance. There is an option for eventual partnership/ownership in the ophthalmology practice. There is also an option for part-time employment.

Media is a suburban town, just a short distance from center city Phila. and some of the best restaurants and entertainment venues in the country. "Everybody's home town" is a progressive area in the county seat with great shopping, al fresco dining and schools.
